CENTRAL INTELLIGENCE AGENCY
OFFICE OF THE DIRECTOR

October 1958

MEMORANDUM FOR: Director, Net Evaluation Subcommittee of the National
Security Council

SUBJECT: Intelligence Requirements of the NESC for 1958-1959

1. Attached are Coordinated Intelligence Assumptions for NESC Exercise, 1958-1959, submitted in response to your request of 12 June 1958. These Assumptions were prepared by appropriate agencies, subcommittees and ad hoc working groups, and were approved by the USIB on October 1958. Concurring were: (concurring and abstaining officials to be listed).

2. The USIB recognizes that for its purposes the NESC requires quite specific, unequivocal assumptions, and every effort has been made to provide them. Your attention is invited to the qualifications and caveats set forth in the Foreword of the Attachment. In view of these qualifications and caveats, as well as the special-purpose requirement to be met by the attached Coordinated Intelligence Assumptions, it is requested that these materials be given limited distribution.

3. NIE 11-4-58, scheduled for completion later this year, will treat certain of the subjects included in the attached assumptions, and
